Looking
Ahead...

Fall Potluck

This year's fall potluck and school council elections will take place September 26th at 6:30pm. We really hope to see a great turnout of parents! For those parents new to BHPS, this has traditionally been a supper meeting for parents only, where everyone is asked to bring a food item of their choice. A reminder to please bring your own plates and cutlery.

A brief school council meeting for council members will follow the potluck and AGM meeting.

Terry Fox Run!

All students and staff will be involved in our annual Terry Fox run on Tuesday, September 26th at 2:15pm. We welcome all parents and encourage you to join us! Special thanks to Mr. Keefe and his grade nine leadership class for organizing this important event!

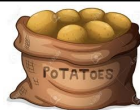

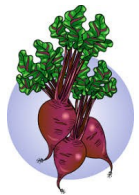

Parent Reading Club

Please see the attached form which outlines the details of our BHPS Parent Reading Club! This is a great way for parents to build up their own library at home and promote good reading habits for their children.

Peace Country Gleaners

Students in grades 4-9 have an opportunity to be of service within their community. In the afternoon of **Friday, the 29th** of September we will take all students in these grades who have parent permission, to help harvest beets for Peace Country Gleaners. Parents are also welcome to join us. More information will be sent home in the permission slip!

Harvest Time at Buffalo Head School

Our school garden has been harvested for this year and the produce has been donated to various local charities. On behalf of our grade four and five classes, and the many families that were blessed with the food, we would like to thank all the parents and students who were involved with the weeding, watering and upkeep of the garden over the summer. It is this type of program that puts the "C" in community. Serving others is an important part of what we teach the students here at BHPS. It is never too early to learn this valuable life lesson. So again, thank you for the time you gave to this wonderful project!
