Iron Chef Congratulations!

Special congratulations to Mica Peters and Janae Wiebe for receiving bronze medals at the FVSD Iron Chef competition on October 26!

Special congratulations to Shaylyn Wieler, Jaedyn Wieler and Damaris Unrau for receiving the gold medal at the FVSD Iron Chef competition on October 26!

Appreciation to our coaches for supporting BHPS students with Iron Chef this year.

Report Cards Reminders for Parents

As you may be aware, the Fort Vermilion School Division has made some modifications to traditional report card practices. Most notably, parents will see that there will be three report cards for K-6 and four report cards for 7-9. Report card going home dates will always be noted on the monthly school calendar and are also noted on your BHPS refrigerator magnets.

In addition, to support the connectivity priority in the FVSD, parents will see fewer written comments on the report card than in past years. Written comments will still be provided where there are significant concerns. If parents are not able to attend the parent/teacher interview they will receive a telephone call from their child's teacher. The goal in this is to ensure that a meaningful conversation about student learning exists for every child.

7-9 Reports Sent Home- November 14

K-6 Reports Sent Home- November 29

P/T Interviews for K-9- December 5

Please speak to Mrs. Morris or Mr. Fehr with any questions you may have.

Thank You School Council Parents

On Thursday, October 17, school council demonstrated care and appreciation for school staff by inviting them to a Thanksgiving supper.

This was a very special event and we as a school staff are grateful. Thank you, school council members and spouses, for your kindness to us!

Student Council

Student council is now up and running! The following students have been elected to student council this year.

Grade 4- Kierra Janzen & Savannah Wiebe
Grade 5- Kathy Buhler & Kyler Wieler
Grade 6- Aaden Unrau & Trenten Harms
Grade 7- Curtis Harms & Jessica Peters
Grade 8- Danielle Goertzen & Trey Unrau
Grade 9- Nellie Buhler & Jeremiah Driedger

Student council members meet for one hour each month. During meeting times, students will address student concerns at school, brainstorm ways to improve their school and organize activities that make school an enjoyable place for all students and staff to attend each day.

New Extra Curricular Opportunities

Grade 4-6 Basketball and Cooking With a Purpose (boys) are current opportunities for BHPS students to participate in.

We thank the committed BHPS staff for providing extra curricular activities

for students at BHPS!

Mom's Pantry

Thank you to all who supported our grade 9 students by placing a Mom's Pantry order. Please note that we expect the products to arrive during the last week of November.
